

# Carolina eHealthNetwork

in partnership with the South Carolina Medical Association

Through health information exchange, Carolina eHealth Network connects members of the healthcare team to help improve clinical outcomes, reduce inefficiencies, and positively impact patient safety.

**CONNECT.**  
**ANALYZE.**  
**ENGAGE.**  
**TRANSFORM.**

What are you waiting for? Get **CONNECTed** and let Carolina eHealth Network provide you with the tools necessary to:

- Access patient information in a timely, secure manner
- Improve care coordination and patient safety
- Increase physician/patient communication
- Meet requirements for MIPS/APMs

Join Carolina eHealth Network and **CONNECT** to healthcare providers and facilities in South Carolina, across the country, and around the world.

Call 855.719.4181 for a demonstration today!
